To everything there is a season . .

DEDICATION: Coach Roland Miller

Through this dedication we hope to repay in part the loyal devotion you have displayed for Northern and its students. In your three short years as teacher, coach, and friend, you have left an indelible mark upon the lives and hearts of those that have known you. Your warm smile, quiet modesty and, most of all, your enduring sincerity will hold a special place in our memories in the years to come. You have given unselfishly of your time and abilities in continuing the high standards of athletics at Northern, invariably showing concern and fairness to each player. You demanded the best from every member of your team, but asked no more. In short, you have started many young men upon the path of success. It is with deep gratitude, along with our hearts and blessings, that we . . .

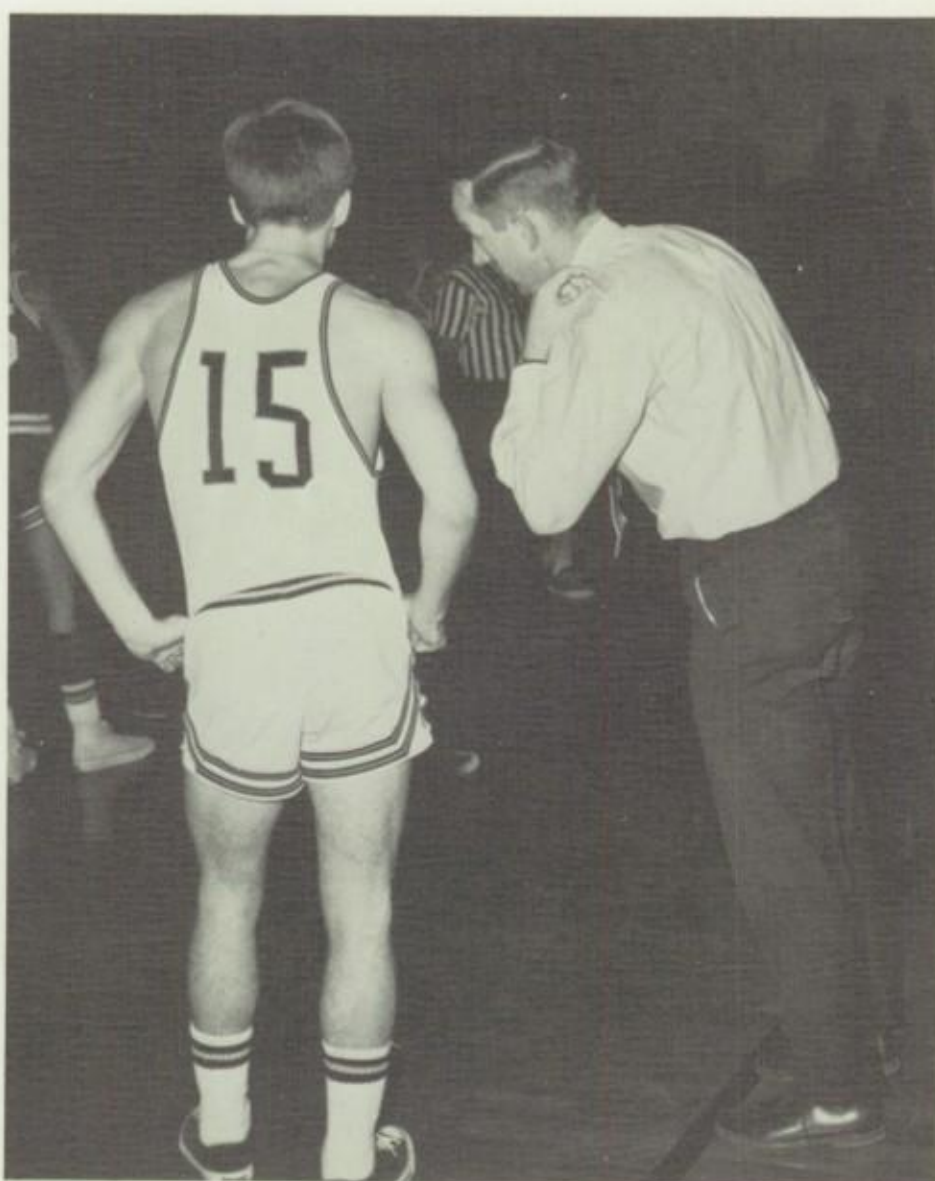

The Class of 1971 dedicate this

Polaris to you, Mr. Roland Miller.

A time to teach . . .

Class of '71

Memories are so personal-to each his thoughts of what the past has been, his hopes of what the future will be. How long have we dreamed of being seniors, of reaching that summit of our climb, when we could stand above the world with confidence and prestige? Yet we can see that only part of this dream has been fulfilled, for our final year has brought wit it confusion and frustration. We wonder whether to sigh with relief or cry from nostalgia. It doesn't matter, though because our departure is inevitable. We may return in years to come, but it won't seem as if we are really Northern Knights. No, we'll be strangers in our own home, for it will change and so will we. But the past is immutable, and we can forever find comfort in the memories it holds. And the future is ours, too. We've made Northern something to be proud of, and now, we must do the same with our lives.

In Memoriam

BONNIE MARIE COOK

WILLIAM RALPH CLEMENTS, JR.

Death, be not proud, though some have called thee
Mighty and dreadful, for thou art not so:
For those whom thou think'st thou dost overthrow
Die not, poor Death; not yet canst thou kill me.
From Rest and Sleep, which but thy picture be,
Much pleasure, then from thee much more must flow;
And soonest; our best men with thee do go -
Rest of their bones and soul's delivery!
Thou'rt slave to fate, chance, kings, and desperate men,
And dost with poison, war, and sickness dwell;
And poppy or charms can make us sleep as well
And better than thy stroke. Why swell'st thou then?
One short sleep past, we wake eternally,
And Death shall be no more: Death, Thou shalt die!

- John Donne

Junior Marshalls

C. Dalton, C. Craig, D. Frieze, B. Tillett, D. Coor, T. Langford, G. Miller, K. Tilley, D. Ward, M. Royal, B. Elkins, and P. Jacobes.

The Junior Marshalls, selected for their high scholastic averages, assisted in the Baccalaureate and the Graduation exercises for the Class of 1970. Under the direction of Mrs. Thompson, the Marshalls offered dignity and reverence to the ceremonies, while paying tribute to graduating seniors.

National Merit Semifinalist

Thomas Langford

To become a National Merit Semifinalist, a student must score within the top 1% in the Nation on The National Merit Scholarship Qualifying Test. Semifinalists are then eligible to become Finalists competing for \$1000 scholarship. Factors that are taken into consideration include recommendations from the school and performance on the Scholastic Aptitude Test.

Girls' and Boys' State

Four seniors were selected to attend Girls' and Boys' State for their outstanding citizenship at Northern. Marcia Garris, Wendy Morrison, Greg Miller, and Ronnie West spent a week of their summer vacation attending lectures and seminars concerning procedures of the democratic system of government. Mock elections were held in which the students could apply their knowledge and skills in campaigning. Lasting friendships were gained in addition to the invaluable experience.

Governor's School

David Deubler, Robin Rummel, and Paul Jacobes

The Governor's School is an experimental program for gifted and talented students that is held each summer at Salem College. Its purpose is to study the need for advanced teaching methods in North Carolina high schools. Honored by their selection were David Deubler, Robin Rummel, and Dena Thompson in the creative and performing arts, and Paul Jacobes in academics. These students attended classes in their individual specialities, as well as in philosophy and psychology, during their seven-week stay.

Sir Northern Knight *Miss Northern High*

Bonnie Hall and Greg Miller were chosen by the faculty to represent Miss Northern High and Sir Northern Knight. Both seniors are alert, responsible, conscientious honor students.

Bonnie is dignified and womanly, a student with an inquiring mind, an active member of the Service Club, chorus, FTA, and Pep Club. Because of her scholastic achievements she was a member of the National Honor Society and Knights and Ladies. One remembers Bonnie for her warm brown eyes, friendly smile and immaculate grooming. She plans to become an elementary teacher.

Courteous, gentlemanly, considerate, soft-spoken and capable describe this Northern Knight, a math and science whiz whose plans are to study engineer. During his years at Northern Greg has shown his versatility by being a sportsman and a scholar. He was member of the cross-country and track team, Monogram Club, National Honor Society, Knights and Ladies, chorus, and Key Club in which he was a Marshall. As a senior he acted as the assembly chairman in Student Council and the sports editor of the POLARIS.

As juniors, we possess neither the conspicuous insecurity of sophomores nor the enviable confidence of seniors. Our two years at Northern have passed so quickly that we hardly had time to realize just how close we are to the top. Not lost, yet not quite found, being a junior has been a perplexing but happy experience that will always hold a special place amid our memories. Northern has become a home through which we can walk with pride and a sense of belonging. As the leaders of tomorrow, we realize our responsibility and accept it eagerly with the sincere hope that we can be as successful as senior classes of the past in guiding our school to greater heights, greater glory. With the weight of a small world upon our shoulders, we will strive to meet this challenge, and to make the very most of our last year at Northern High.

Class of '73

Class Officers: Mike Howard, Secretary; Tony Lovette, President; Nina Overcash, Treasurer; Tom Meffert, Vice President.

In three short months we suffered the fall from ninth graders to sophomores. Once the undisputed leaders, we were forced to adjust to our new positions and to yield humbly to the upperclassmen. Yet most of our fears were unfounded, and the people of Northern soon proved to us that we were wanted. That initial excitement of going to high school has survived a trying year, and we can only hope that the years to come will be equally exciting and equally rewarding. It didn't take us long to feel a part of Northern, or to experience the unavoidable pride of being a Knight. Tomorrow seems a bit obscure, but through this, obscurity will prove only the more thrilling. Many rewards lie ahead, and many obstacles, and we will strive to face each with humility and determination. And though we have loved being sophomores and will cherish this year forever, we eagerly give up our titles and move on to greater things.

Our first year comes to an end.

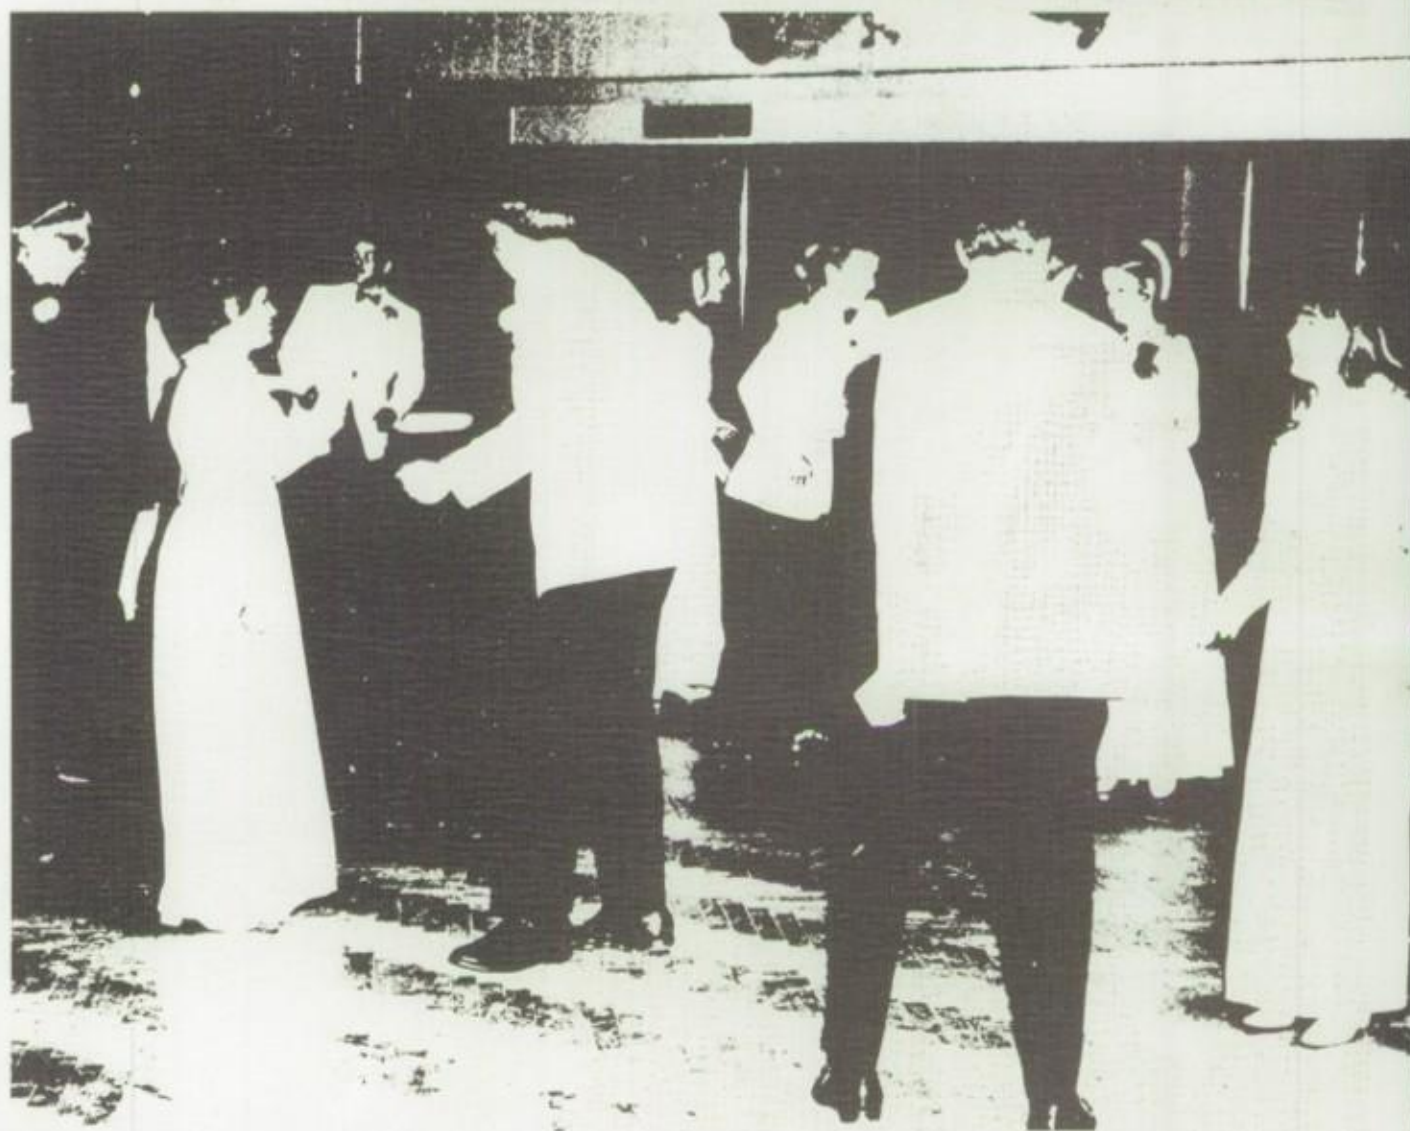

I've got it! I've got it!

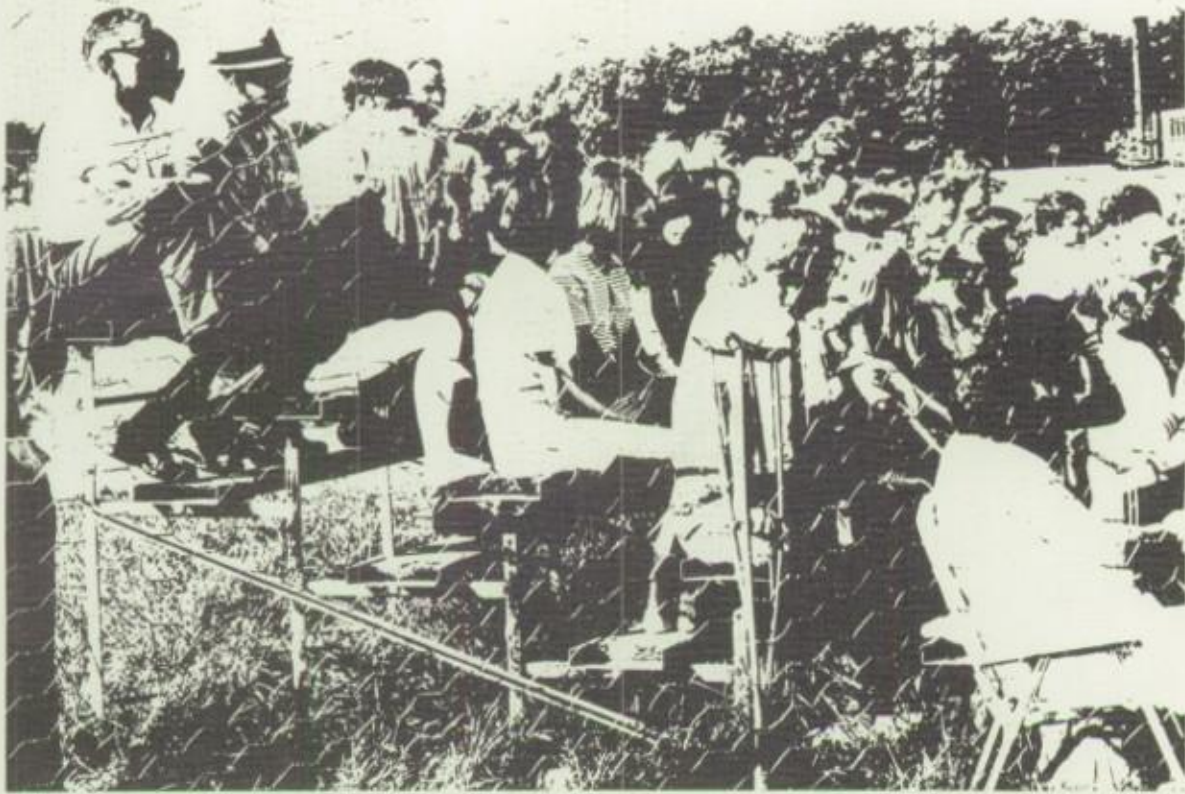

"Mel,"
 It's been "one-
 -dayful" getting to
 know you as the kind,
 gentle person you are. I wish
 in a way I could stay with you
 and watch you on your way
 through N.H.S. Stay the person you
 are, don't ever forget that people
 make mistakes and every one
 has faults, No one is perfect.
 Don't do any thing I wouldn't
 do. Bless
 you
 (G. J. R.)
 Gloria Ribet

Let's a huck

 of N.H.S.

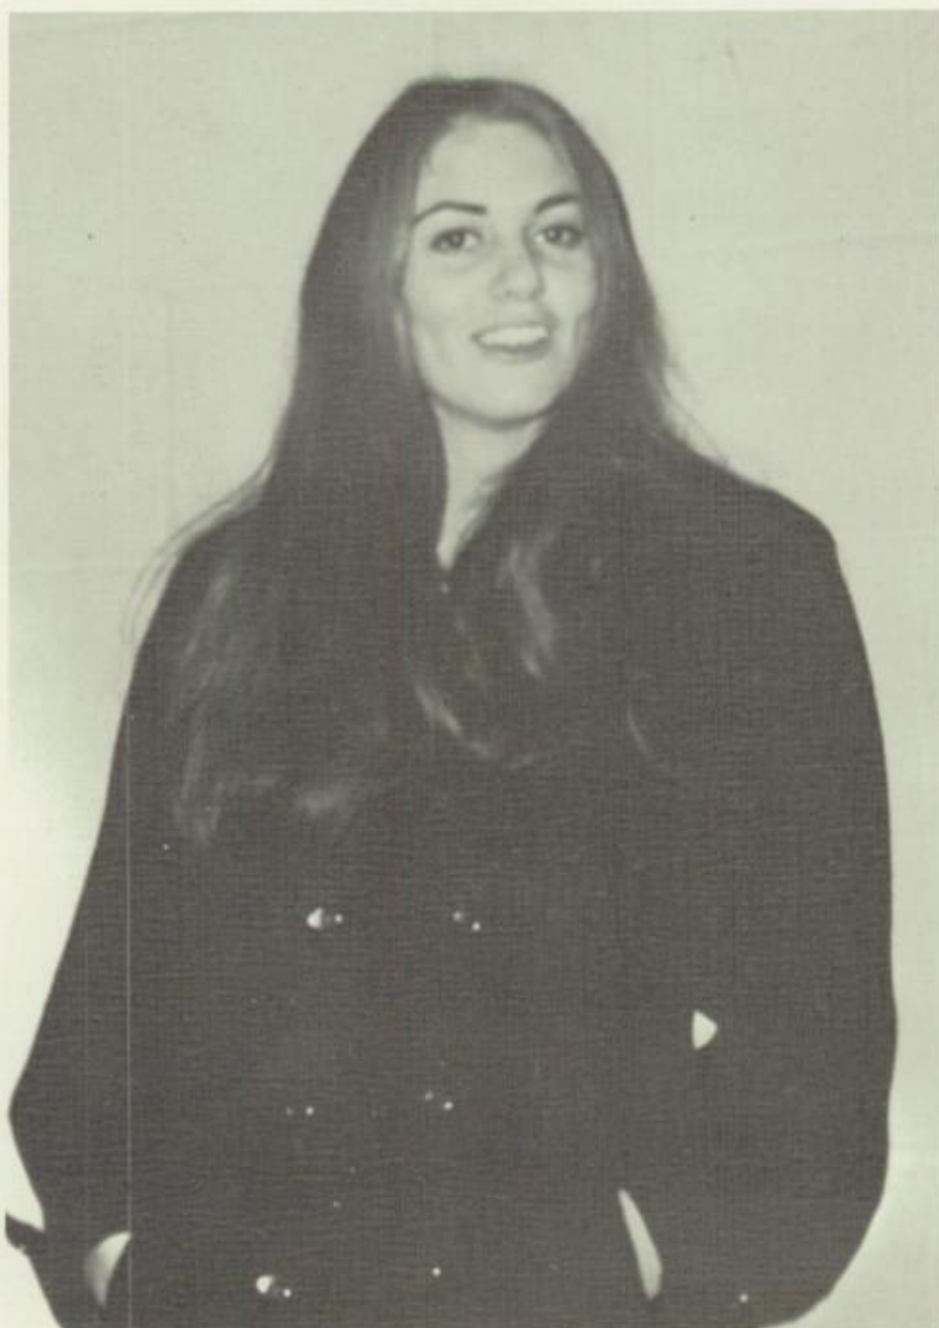

A time to laugh . . .

... and a time to weep.

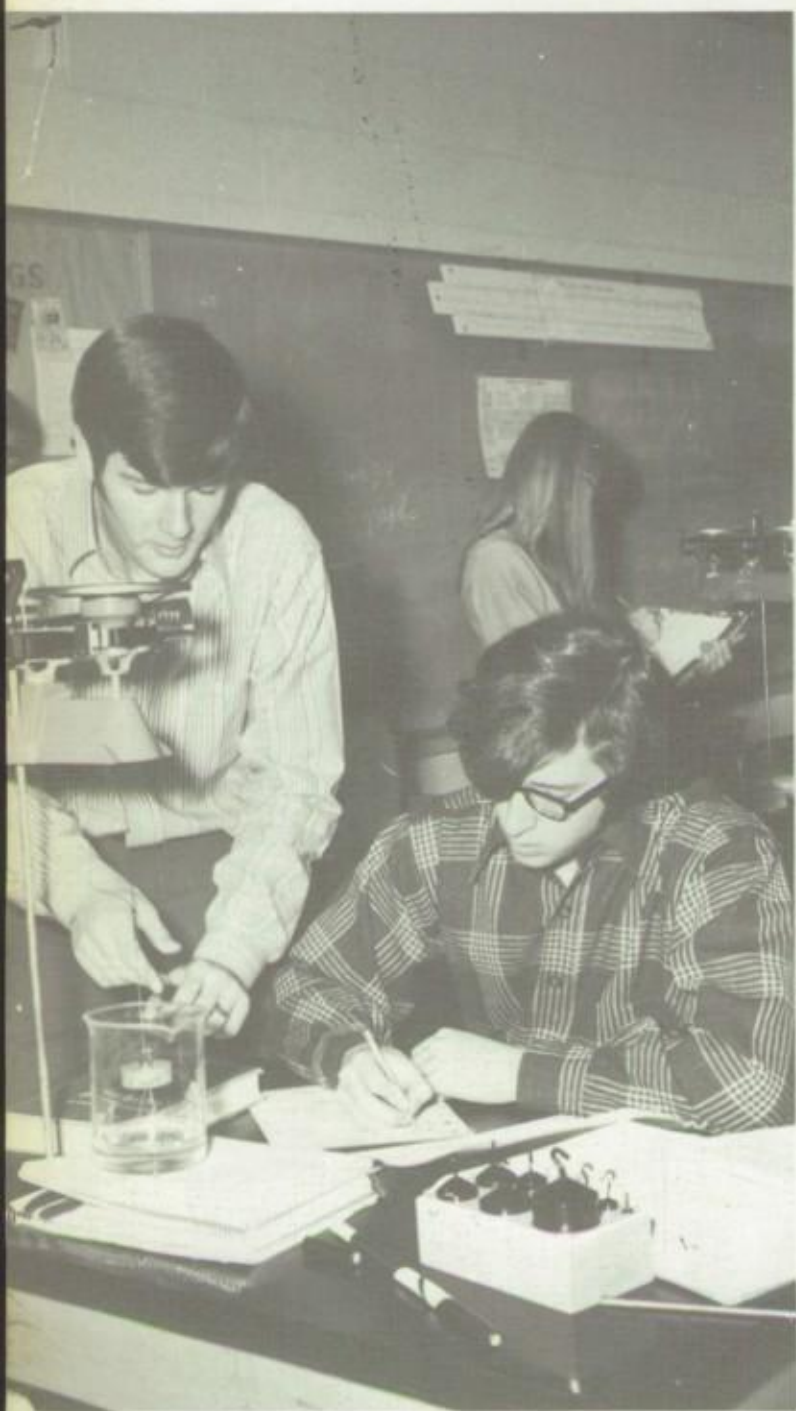

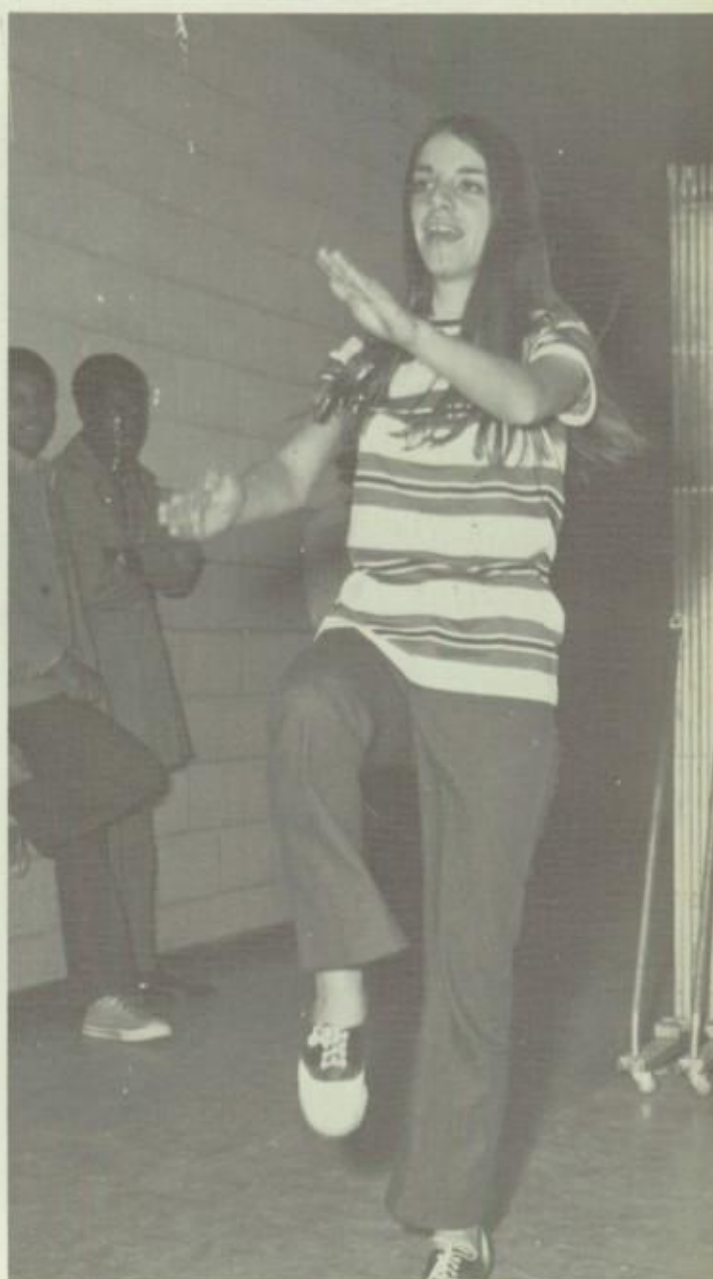

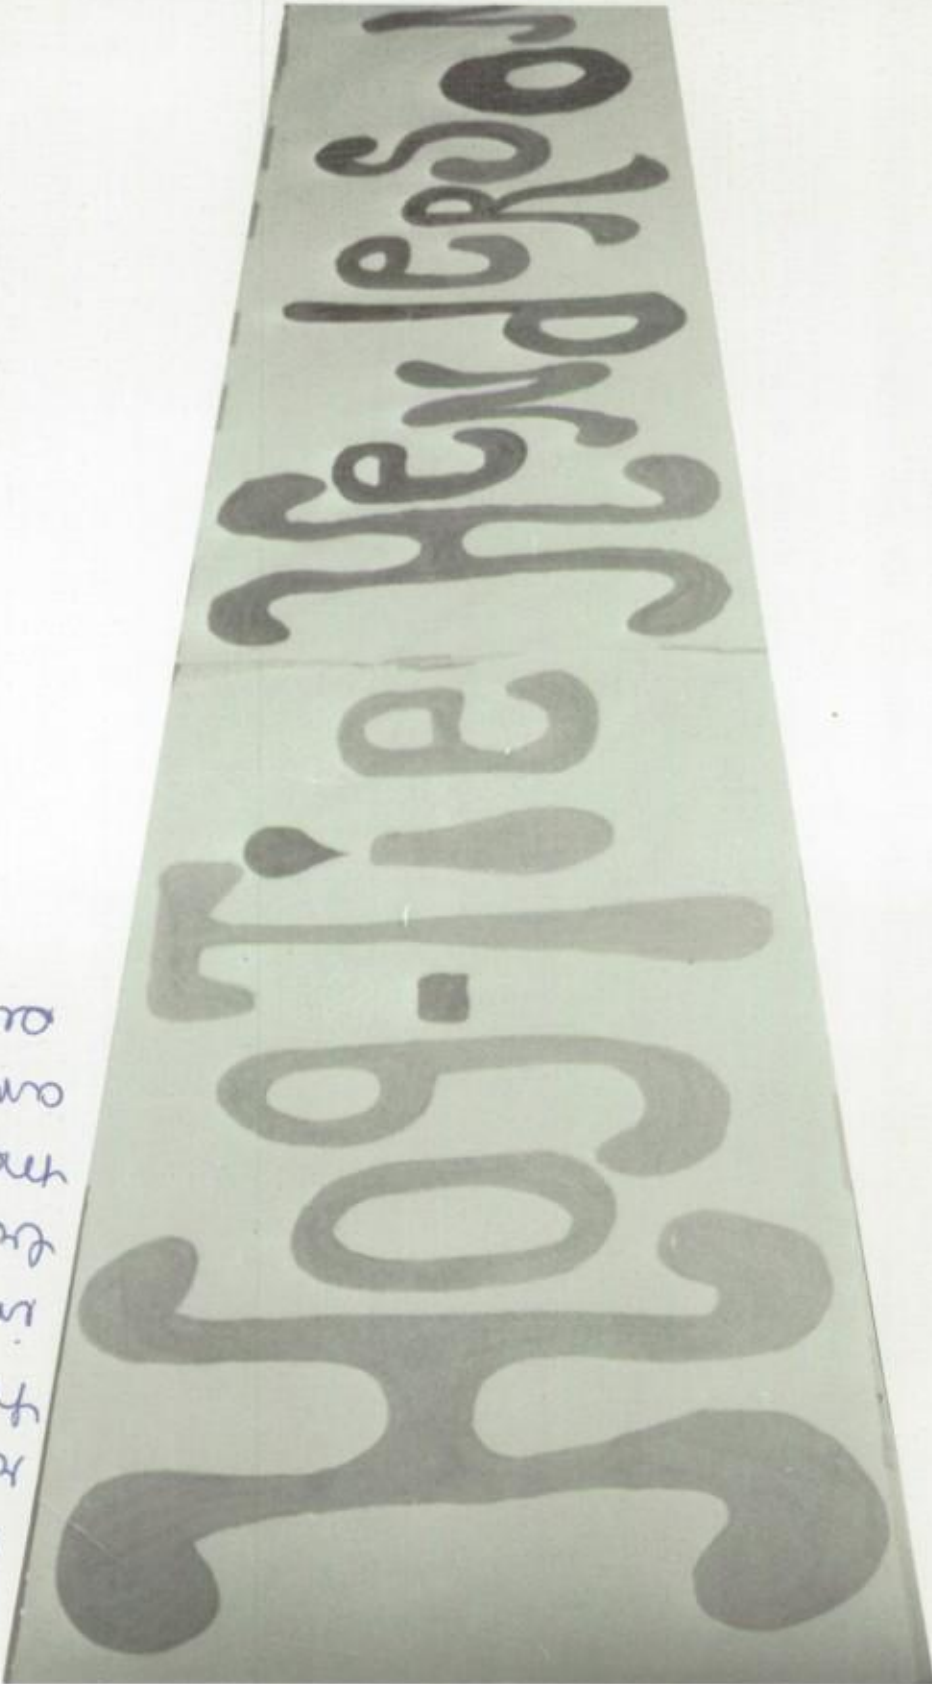

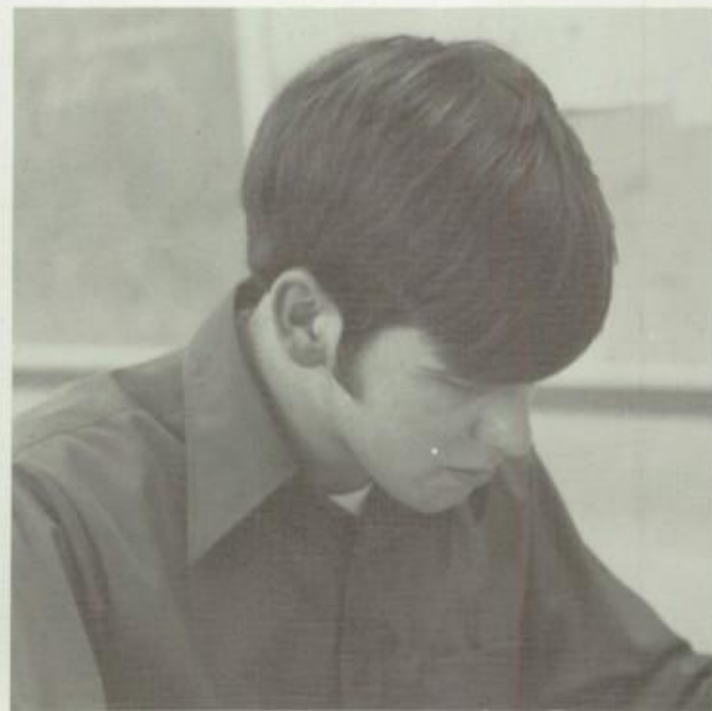

because,
 it's been a
 pleasure to
 know you.
 you've been a
 real friend. We've
 had our differences
 in these situations
 but that doesn't
 matter. They sweet
 and have a good
 summer.
 Pat Willard

Come to the Games

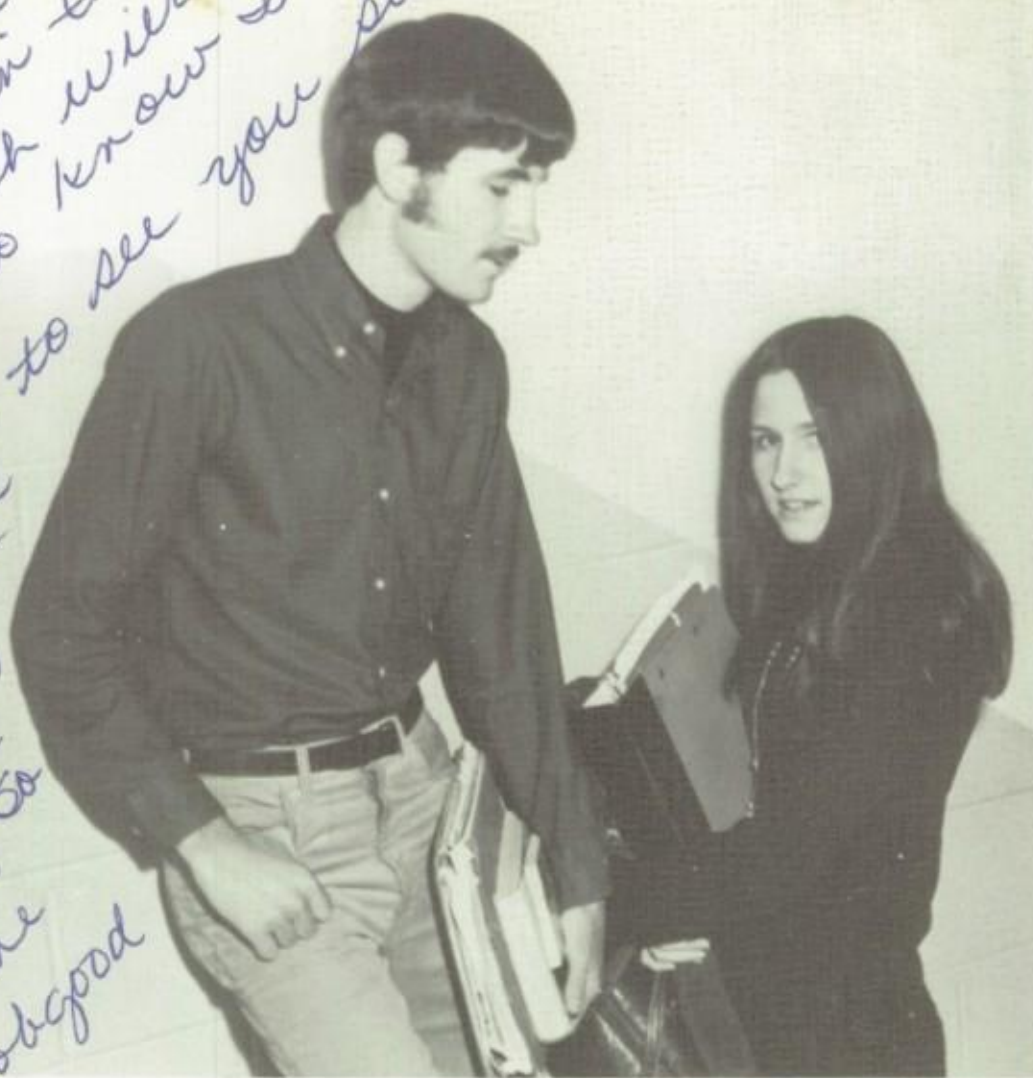

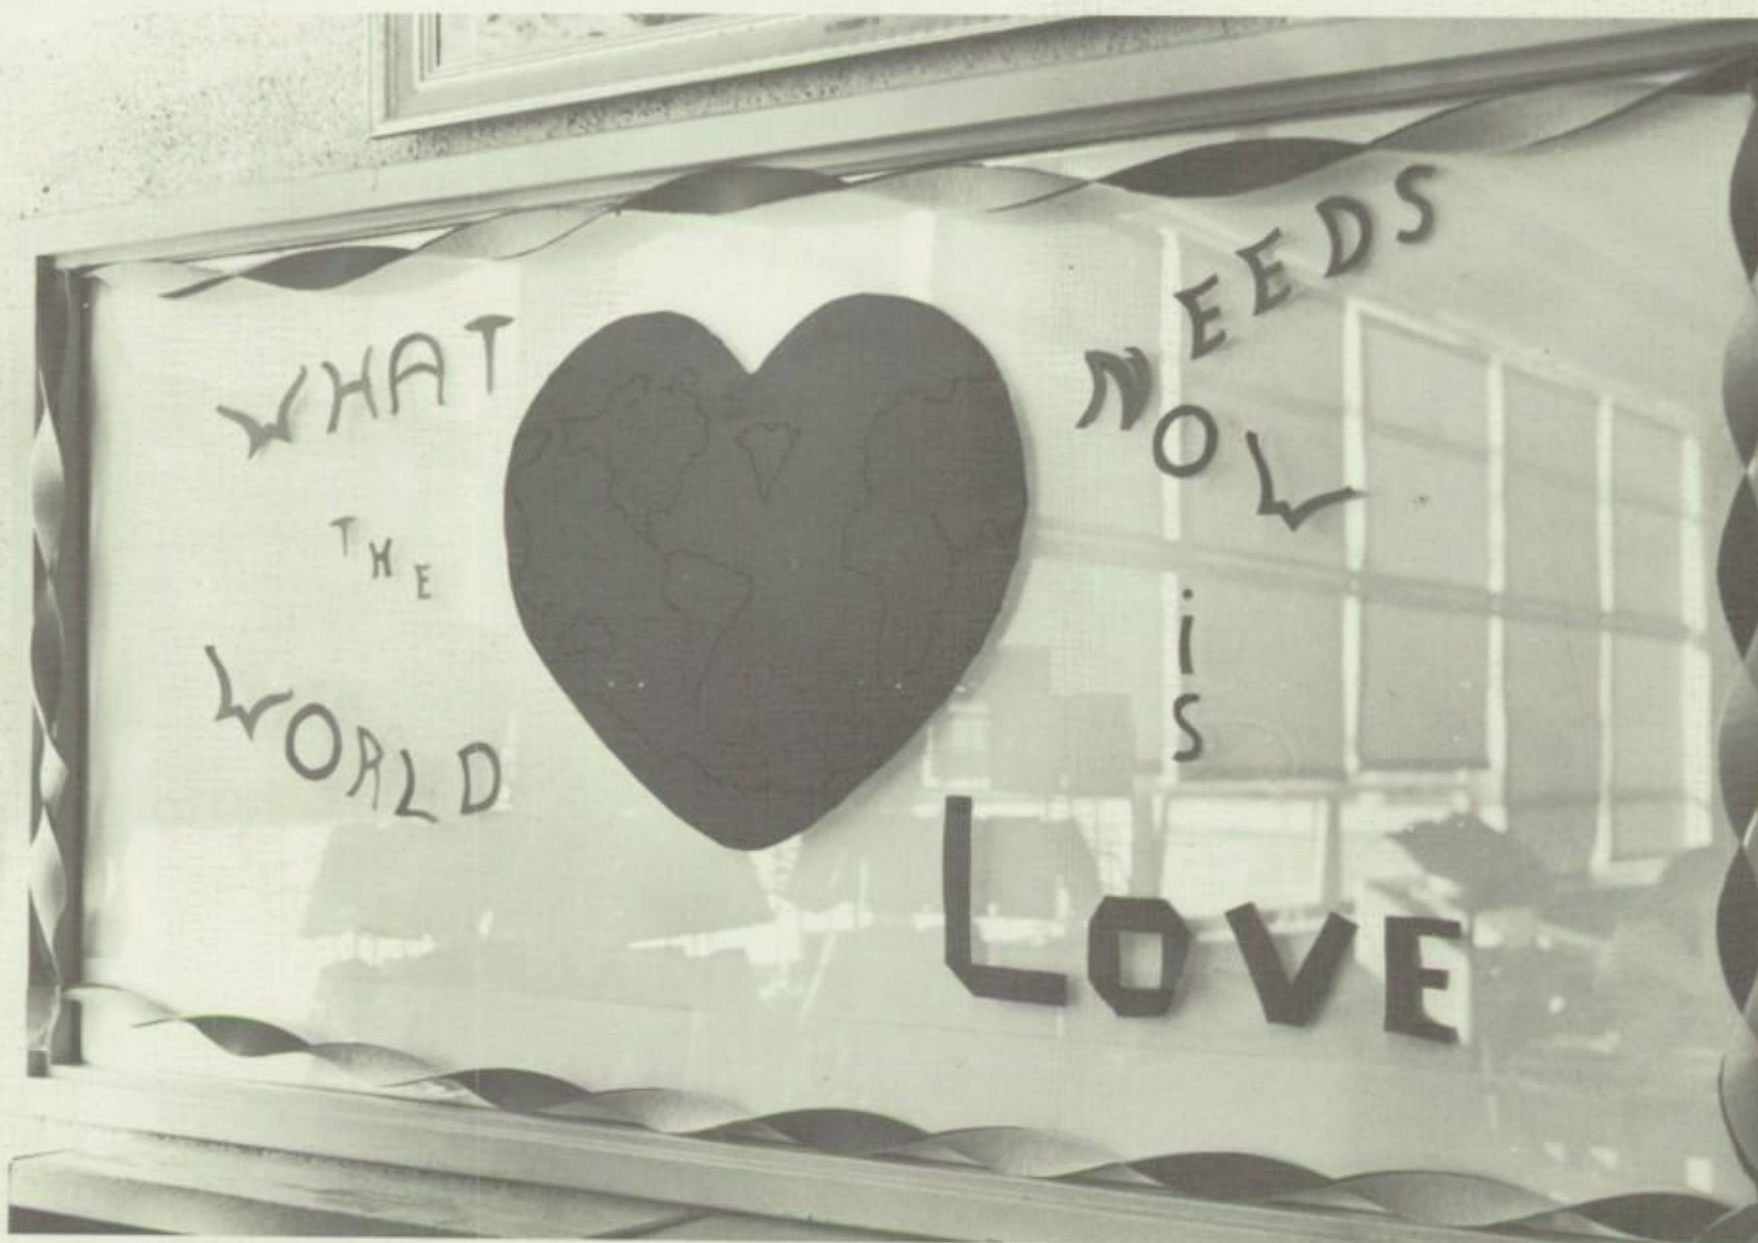

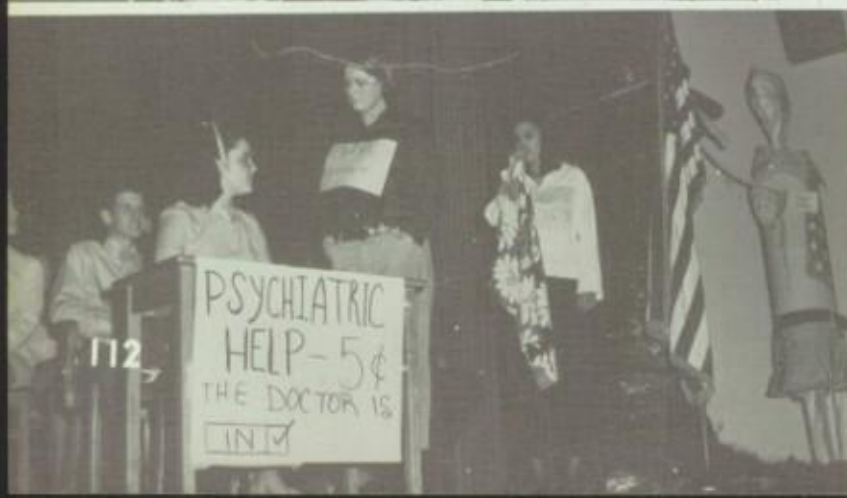

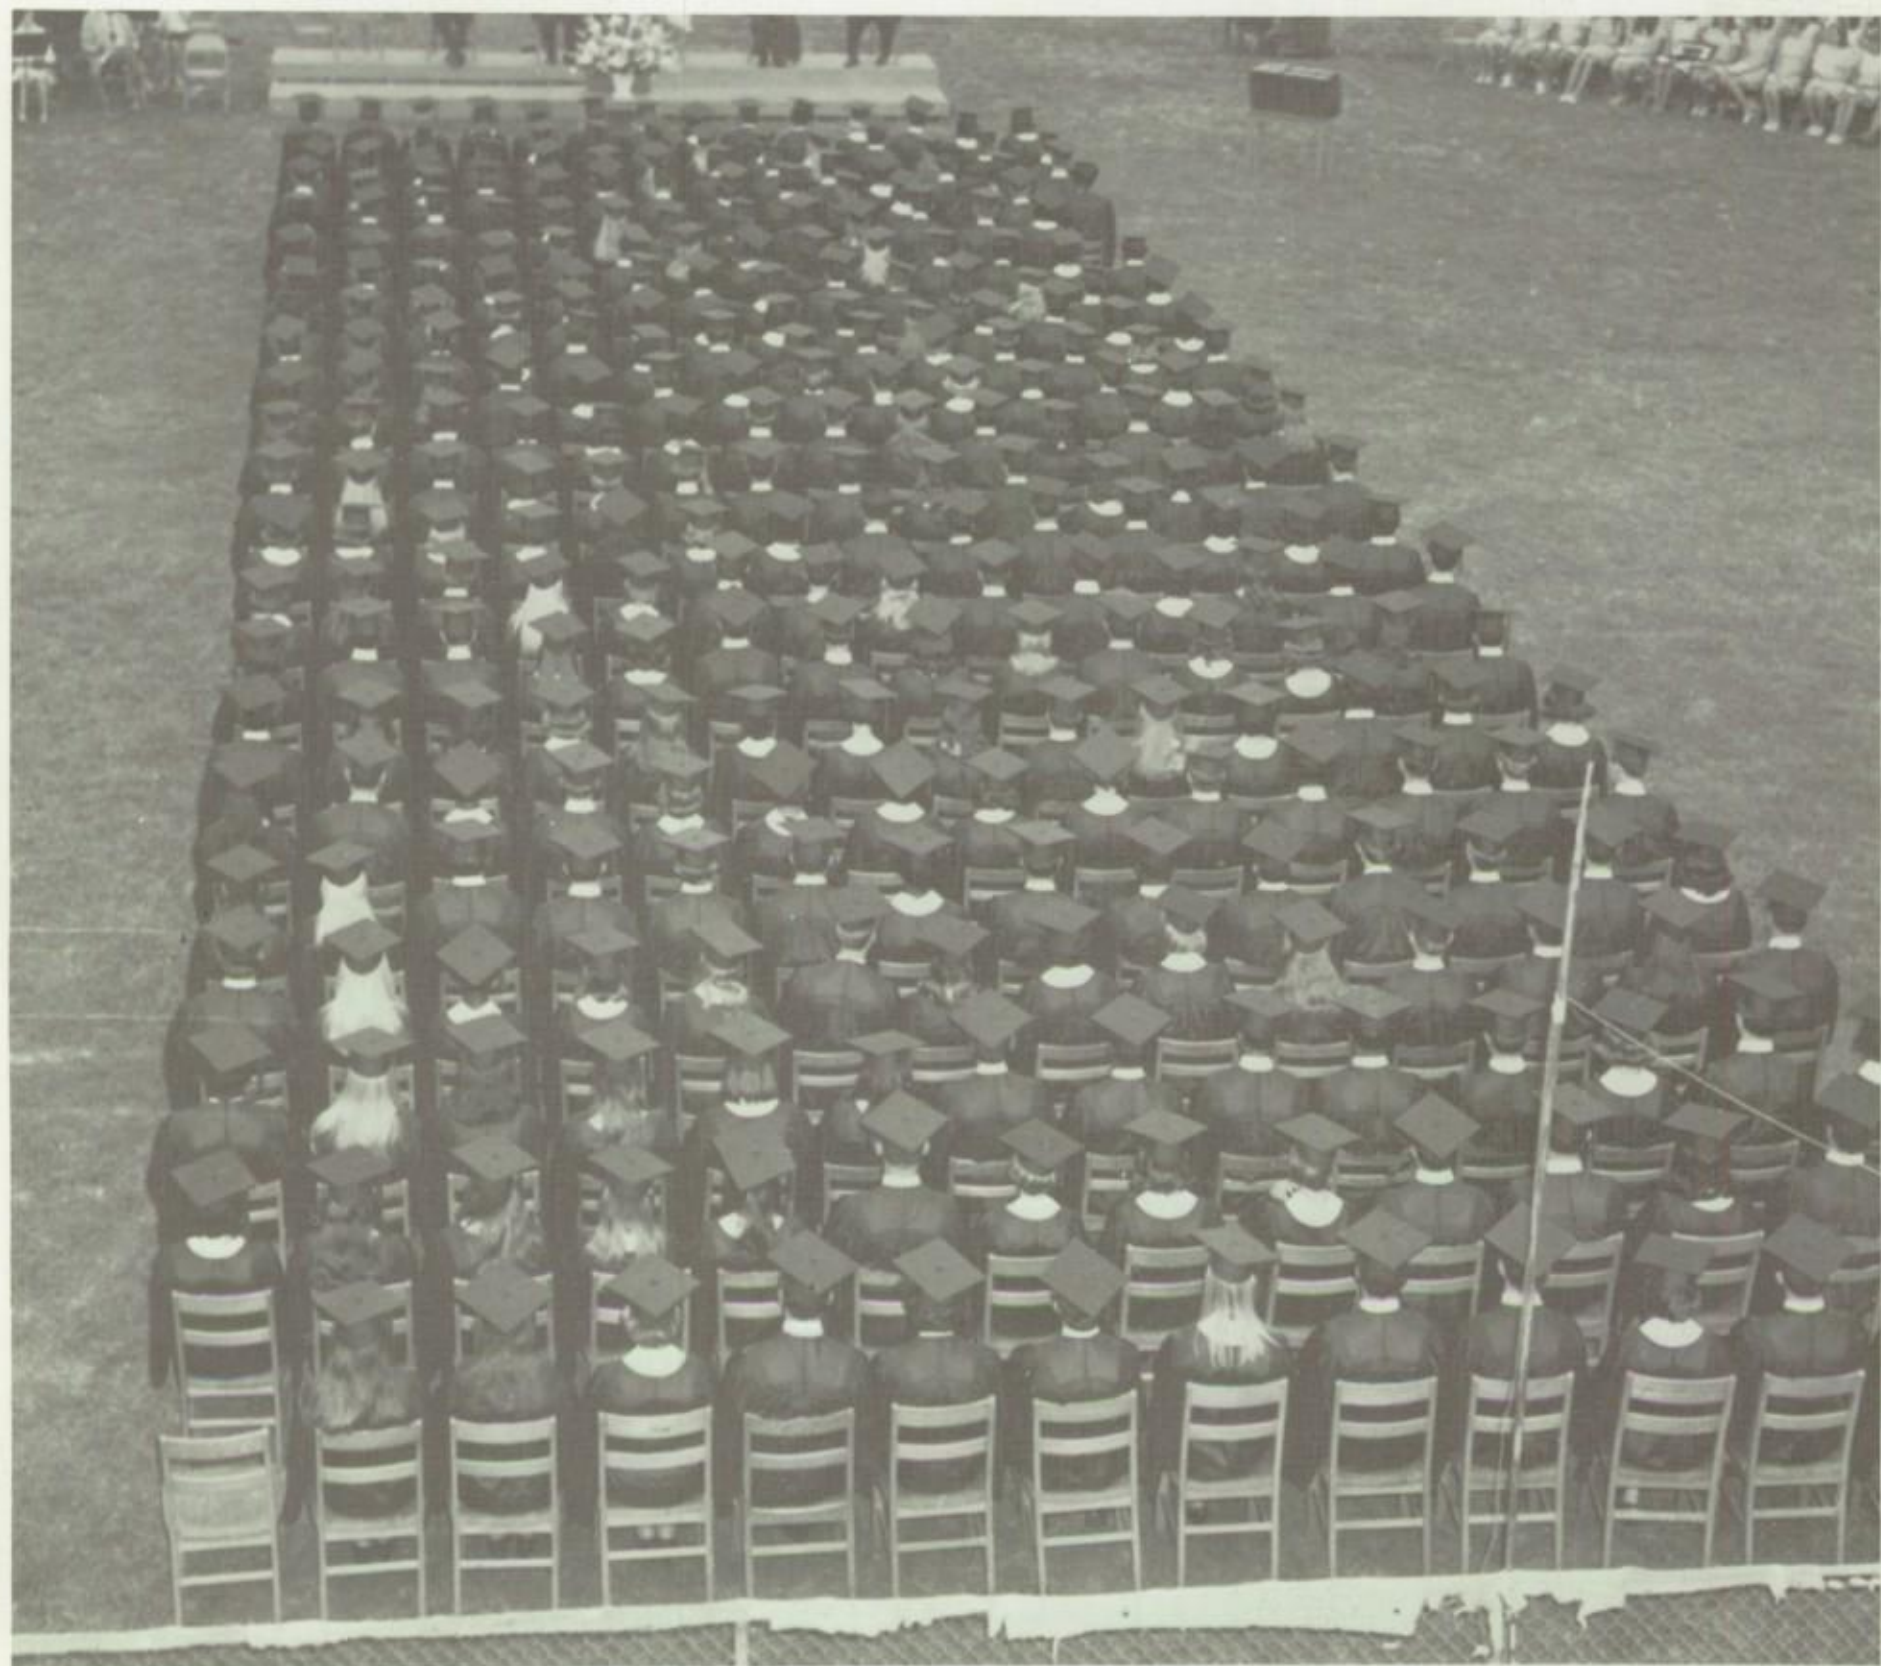

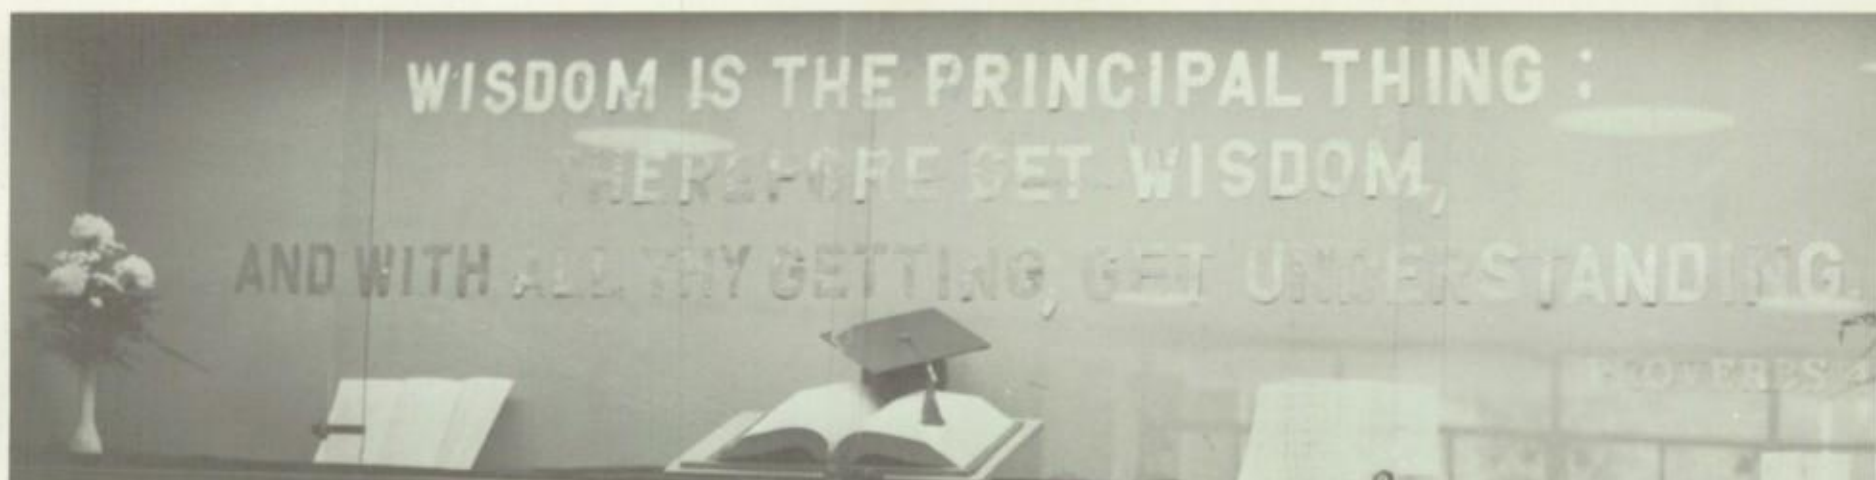

Melanie,
 knowing you
 this year has
 meant a lot to me.
 We're probably the
 only two people in the
 world with such wild
 ideas. I to know I'm
 not all alone! want to see you some
 I really want to call
 this summer - call
 me - 477-6862! See,
 now you have
 no excuse!
 - Anne
 Hobgood

It's been great
having you all in my classes
this year. This was a great year,
wasn't it! I'll always remember
you (for your arguing in English! Just kidding!).
Have a fantastic summer - see ya
next year. Best of luck always

Melanie,
I've really enjoyed getting
to know you this year. I
hope our friendship will
continue, because I think
you have a wonderful
personality. Don't ever
change - it's good to know
someone like - it makes
me think there's still some
hope for humanity. (heary, huh?)
Seriously, I hope you

Have a good summer.

Dear Melanie
 You are a very
 unique person. It is to be
 is a rare quality
 able to express yourself and
 not be afraid to speak out
 even if the majority of the class
 disagree.
 Please remember that I have enjoyed
 your friendship, your gift and letter. I have really
 touched me and I will keep them always, specially
 the letter.
 May your years left in Northern bring
 you happiness and success. Thank you very, very much
 Melanie.
 Your friend always,
 even through letters:

 I've enjoyed sharing

The Polaris Staff begins its construction of the annual in the summer with the sale of ads. Next came the decision of providing a theme for the yearbook. Many long hard hours were spent drawing layouts, identifying pictures, writing copy, organizing the sections and typing. Around the middle of February the final touches were added and another year's annual was at the press.

Concert Choir . . .

Under the direction of Mrs. Pierce consists of a group of students chosen specifically for their musical potential. Rehearsals were conducted daily in order to prepare for various performances held throughout the year. Several special performances were scheduled for the choir. The Chorus Classes

The five chorus classes of N.H.S. devoted hours of hard work preparing for their annual concerts given in the winter and spring. Students spent some time in class learning to read music and recognize different composers and instruments or they just listened to "Switched On Bach." Aside from the given concerts, the classes attended a musical workshop to better their talents. At Christmas, the classes gathered at the Veterans Hospital to sing with the patients.

Northern Wins Conference Championship

The Northern High School custom for producing tremendous football teams was kept intact during the 1970 season as this team proved to be the best in the conference and the second best in the North Carolina Eastern 3-A Division. After a tie in the opening game with Elizabeth City, this fine group of athletes built up a string of eleven straight victories, broken only by a heartbreaking loss to Seventy-First of Fayetteville. Included were a 53-0 shellacking of Chapel Hill, a 53-8 massacre of Southern, and playoff victories over Millbrook and Tarboro. Individual honors included Coach of the Year, Line-man of the Year, and six all conference selections, three of who made the all-area team. This truly was a great year for the 1970 football Knights.

Baby Knights win eight of nine football games

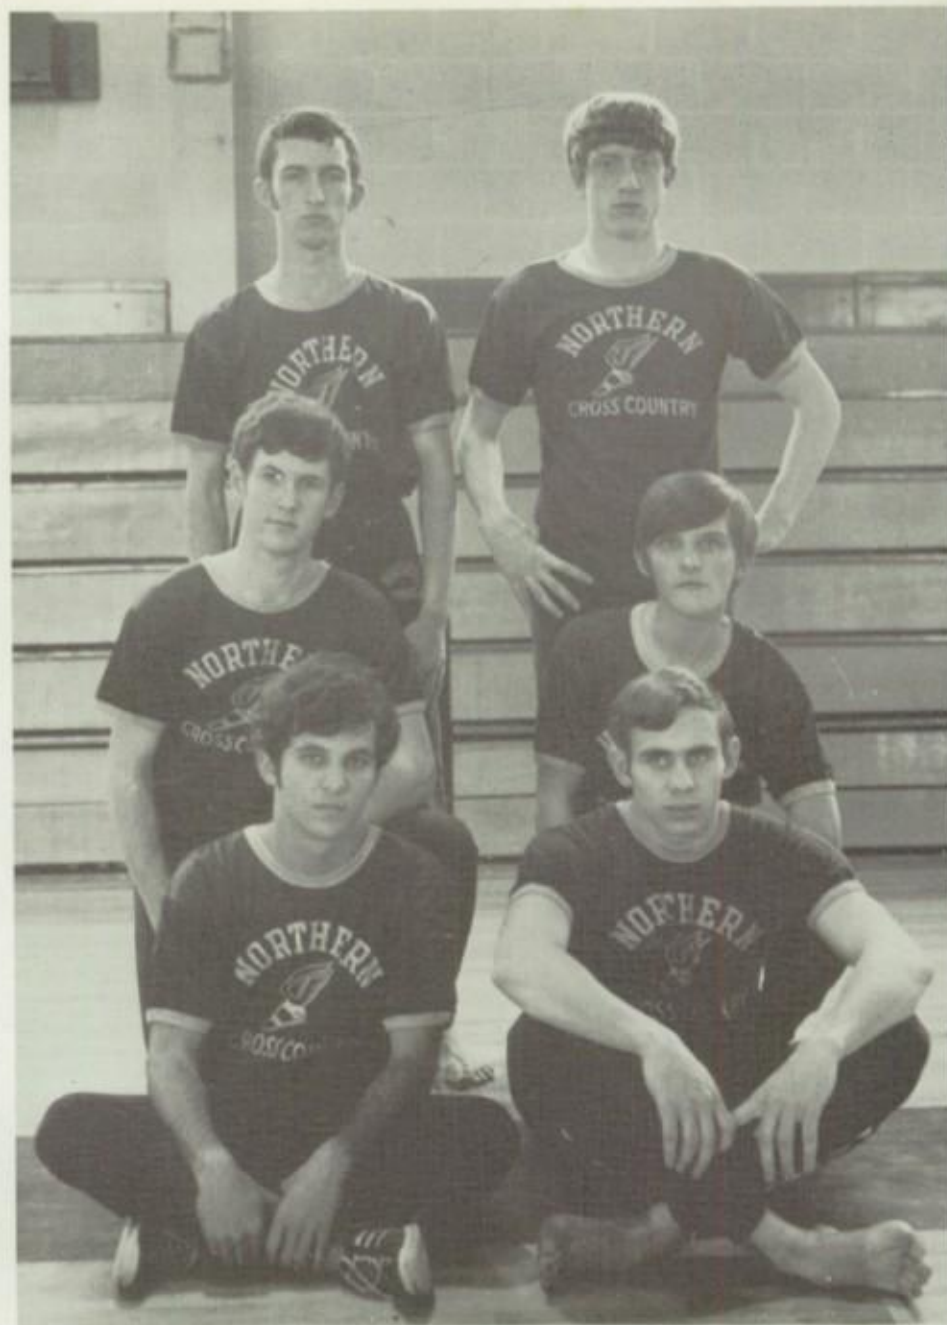

Coaches Miller and Andrews develop another great JV team.

Although this year's JV team was small in both size and number, it again proved to be the class of the conference by winning all of its games against conference foes. Its only setback was to non-conference Reidsville. Coach Miller and Coach Andrews guided the Baby Knights to a fine 8-1 record. The players showed great dedication and desire as they looked forward to their next two years of football at Northern.

Forwards Cook and Jones pace Northern basketball team

It has been said that a ball can take strange bounces and so it has this year for the Northern basketball team. The team has been very unpredictable this year, at times overpowering their opponents and on other nights being overwhelmed themselves. The Co-Captains, Greg Jones and Steve Cook, have led the team in scoring throughout the season. For the first time in several seasons, Northern has a tall frontline, and this repeatedly has helped the team in rebounding and defense. The veteran guard corps has showed outstanding floor leadership in directing the attack and steadying the team.

Wrestling team has first year

This year another sport was added to the agenda at Northern. Boys of all sizes made it a winning team as it finished its schedule 5-4, recording two wins over Southern and Garner, one win over Orange, and two losses to Cary and Roxboro. Coach Simpson of the Police Dept. taught the boys their moves and Coach Goins was able assistant. Three members of the team had tremendous success in the conference tournament as Carl Crenshaw took 2nd in the 129-lbs. class, Tim Jackson won the 148-lbs. class, and Adams finished 2nd in the 170-lbs. class.

Misfortune hampers Baby Knights

KNEELING AND SITTING: Mark Jacokes, Wallace Chambers, Mike Hayes, Mike Avery, Tony Lovette, George Burton, Coach Johnson, STANDING: Tim Gale, Randy Murphy, Mike Adams, David Dickerson, Paul Eskins.

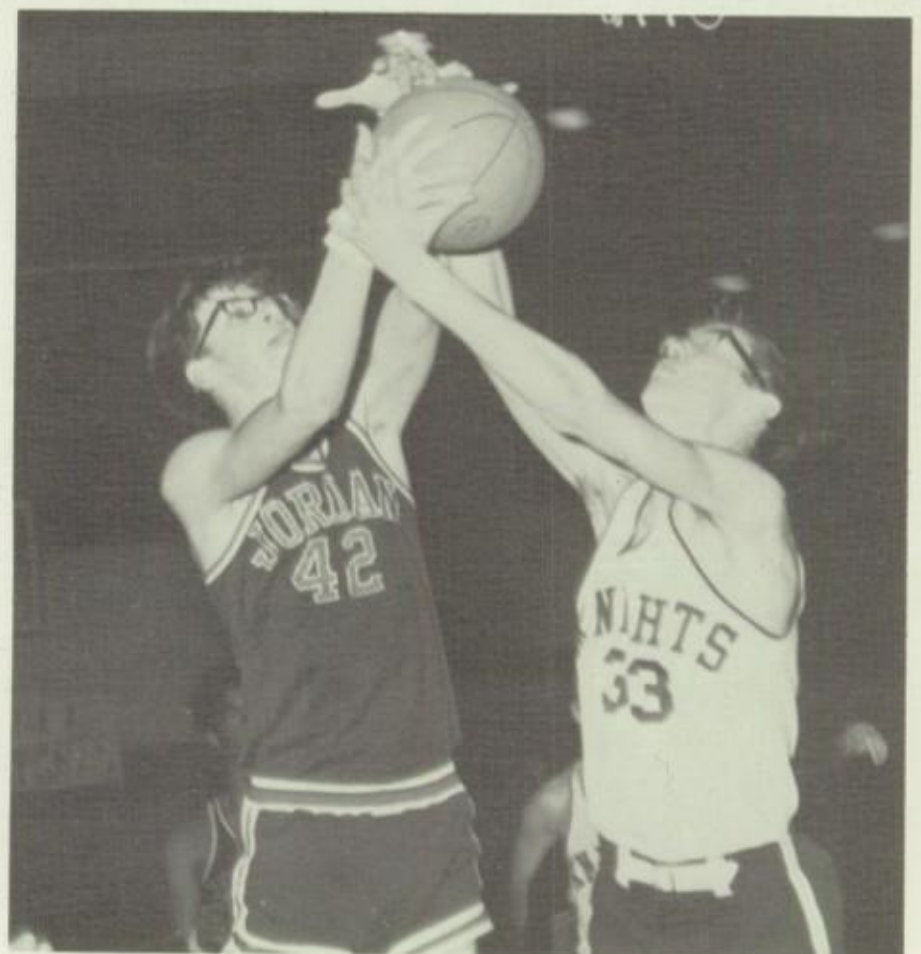

Coach Johnson's second season as head coach of the Baby Knights certainly was not a very pleasant one. Injuries and sickness crippled the team as three key players missed at least half of the season. Long hours of practice and game experience payed off as several players should play important roles next year for the varsity.

*Screamteam leads
spirited Knights onward*

After a long, hot summer of two practices a week, a bake sale and a camp session for two of them, the 1970-1971 Cheerleaders started the year with a bang - a back-to-school dance and a rainsoaked trip to Elizabeth City. The football season was full of pep rallies, cookies and spirit for the football team and cheering the guys onward to No. 1. Victory was thrilling and beautiful each time it happened. Defeat was heart-

breaking. Basketball season was spent thinking up new ideas and cheers to arouse enthusiasm for the Northern Cagers by making hoops, and Valentine bags for the team. All added together, the varsity cheerleaders have had a very busy year.

Go Sophomores

Besides cheering for the jayvees at games and pep rallies, they took part in their traditional Homecoming corsage sale and served lemonade to the team in the summer. Five loud voices and plenty of spirit from these girls helped the jayvees to numerous victories.

Golf

The 1970 golf team was able to play in only five matches because of scheduling difficulties which forced the team to pull out of the conference. They participated in five matches, winning one and losing one against Roxboro, defeating Durham High and dropping two with the U.N.C. freshmen team. In the sectionals, they finished 15th. The team, led by MVP John Berry and Stuart Lipton, consisted of Harry Cocowitch, Vic Cocowitch, Ronnie West, Teddy Maynor, Doug McCormack, Andy McDaniel, Steve DeLuca, Jack Elwood, and Tommy McDonald.

The team also participated in the Duke Durham Relays with the sprint medley relay team (Herron, Weaver, Brogden, Smith) finishing fifth and in the sectional meet at Raleigh where Brogden placed 4th in the 100 yard dash, Smith grabbed 4th in the mile, Ribet leaped to a tie for 5th in the pole vault and the 880 relay team (Weaver, Ellis, Sorrell, Brogden) placed 4th.

Well, we hardly
 saw each other this
 year 'cause of the war
 they set us apart
 we'll have a better time
 next year. We would've driven
 those teachers crazy anyway. Only 2 more
 years! Boy, I'd love to have it
 summer. I'll write you again from Luck!
 Georgia. I'll become an Aunt pretty
 soon!
 The best of everything
 always to someone who
 deserves it.
 Love & Peace,
 Sherie

Hello Melanie.
 I've enjoyed sitting
 in front of you in our
 "beautiful" (like you, huh?)
 study hall this year. You
 know, you've got a good
 head on your shoulders and
 I'm expecting great things
 from it - don't disappoint me.
 Take care of your ideas and
 keep that chin up high -
 it's impressive. !!!
 (How do you like that?)
 Really though, best wishes to
 you always. Much love,
 Bobbie Ann Tillet

Melanie, Is a very sweet girl who is my
second "daughter". Best wishes to you always
and may God Bless. I love you,
Mrs. Beck

Melanie,
It has been a real pleasure knowing
you. With your personality, you will
go far. I will never forget W.H, Gym and
Geometry. Have a great summer & I
hope we will see each other. Good Luck!
& May God bless you!

Love ya,

Debbie Nemer

Melanie,
Although I haven't gotten
to see you much this year,
it's still been lots of fun, and
I'm glad you're at Northern.
You'll probably see more of each
other next year. I'd still love
for you to join Lambda Chi
if you wish & can. Have fun this
summer!
Love,
Dawn
Desjardis

Melanie,
It has been great
knowing you this
year. I hope that
you have the best
of times in years to
come.
Grant Christie

Melanie
I am so
glad I really
got to know
you this year,
you are so great!
because you don't put
up in fronts and if you
something I know you really
mean it! This year has really
been a year of making close friends
for me. I am so thankful for your
friendship! You can't imagine the future
much it really means we don't have
seems so close now since we don't have
but two more years of high school. Melanie,
I sincerely pray when you decide the direction
you will aim your life, that you will always
feel confident and happy with this choice!! Gym class,
Biology, English & discussing Mr. Ciampi has really
been fun
with you!

Dad loves and I do too
Diane Craltree

Have a nice summer, and
I'll see you next year. O.K?

The
 I really don't know
 what to say. I'm
 a quiet girl. I
 don't usually
 go around
 and talking
 as people
 with some
 make out a
 you're
 looking for
 you're
 to see if
 you're
 together.

Melanie,
 you have really been
 a great friend & we've
 had a lot of fun in Latin
 Olympics. Time has flown by so fast
 and in a few days school will be out
 & I'll be moving this summer and probably
 will never see you again. I think your a
 very sweet girl and I hope you stay that
 way. Maybe some day later on in life will
 pass each other on the street & probably won't recognize
 each other (but I hope so). I never know what to
 write in your books, but stay close to the Lord and
 let him guide him each day, because hell always
 be there. A.F.F.K.

Karen Williams

Melanie, honest
 I can say that you
 are a great person
 you seem to be all
 the things I strive
 for but don't have
 the guts to achieve
 May God bless
 you and keep
 you (I know He
 will, He did it
 for me.)
 Love,
 Jamie ^{Crawson}

Melanie,
 I have enjoyed knowing
 you and being in many of
 your classes this year. I hope
 I see you next year and have
 a nice summer. Good luck
 and all that.
 Your friend,

Melanie,
 I hope you have
 a happy summer. And
 go lots of places.
 I am glad school is
 out. You are a nice
 friend. Have and always
 will enjoy knowing you.

To a very nice
girl - it has been
fun in Latin but
it's sure nice to
have it over with!

Best of luck in
the future!

Melanie,

It's really been a pleasure
being in your classes this
year. Your comments
in geometry made it a
little less boring.

Thanks for being such a
good friend.

I had never really known you before this
year, & then never before drivers ed. I'm glad
I got to know you, cos I like to know smart
people. (I still don't see where you get so
much symbolism.) I'm sorry we didn't get in
the same world history class. Maybe we will
next year, I hope so. Have a good summer.

Maybe I'll see you. o.k.?
